

ROCAL Adhesive Films

Monomeric White Gloss Ultra
Removable
3 Year Self Adhesive Graphics
SVO-UR

ROCAL Monomeric vinyls have been engineered for a large range of wide format digitally printed mounted graphic applications using face stock weights & formulations that consistently capture and display ink effectively whilst providing short term durability & excellent resistance to shrinkage. SVO-UR is a glossy opaque white film with an ultra-removable, solvent based acrylic adhesive which can be wet applied and later removed without leaving residue. It has a two side coated, moisture resistant & stay-flat paper liner.
